OUR MISSION IN EXPANDING THE ASSOCIATION

Published on 26/04/2024

The Vincentian Marian Youth (VMY) is an Association born from the profound desire of the Virgin Mary, expressed to Saint Catherine Laboure during her apparition, and is inspired by the devotion to Our Lady of the Miraculous Medal. It is rooted in the Virgin Mary's desire to form an Association of young people, dedicated to spreading her message of love and hope.

VMY is committed to spreading the Miraculous Medal and the message of Our Lady. We encourage the members of the Association to wear the medal daily and pray its associated prayer as central to the VMY's mission is the promotion of Marian devotion. The young people are encouraged to pray the Rosary daily, participate in Marian pilgrimages, and engage in spiritual practices that deepen their relationship with the Blessed Mother.

By fostering a love for Mary, we are inspired to emulate her virtues of Faith, Charity, Humility, Obedience, Purity and Simplicity. With the practice of these, we as faithful members of the Association, can manifest what it really means to be a Vincentian Marian Youth.

To further help in the expansion of our Association, we can use various platforms, including social media, to share information about the medal and its history, and participate in community events and outreach programs to raise awareness of Our Lady's message. Moreover, we believe in serving others as an essential part of our mission, engaging in charitable works to demonstrate our commitment to the teachings of Saint Vincent de Paul. It is our mission to share this powerful symbol of hope and healing with the world. Through our various activities, we strive to promote devotion, spread awareness, and serve others.

As we continue to grow and evolve as Association, let us remain steadfast in our commitment of being a source of hope and love, spreading the message of Our Lady of the Miraculous Medal to the world. Through our dedication, service, and prayer, we can inspire others to join us on this journey of faith and devotion.
